

Mr. Clearco Food Grade Silicone Spray NSF H1

NSF H1 Registered Silicone Spray Lubricant...meets FDA 21 CFR specifications for incidental food contact

13 oz. net wt (20oz can size)

Mr. Clearco Food Grade Silicone Spray is formulated for use in Food Packing and processing areas to prevent sticking & allow materials to slide easier. It prevents food buildups and cuts clean-up times to a fraction.

Mr. Clearco Food Grade Silicone Spray is registered with the NSF / USDA Nonfood Compounds Registration Program as an H1 lubricant with incidental contact with food for use in food processing areas. In addition, it meets FDA 21 CFR regulatory requirements as well.

In 2007, we reformulated **Mr. Clearco Food Grade Silicone Spray**. The 2007 formulation contains no hexane or acetone. In addition, it meets RoHS Compliancy as well and is part of Clearco's Green line of products.

Features

- NSF H1 Registered
- Eliminates Sugar Build-ups
- Prevents Sticking
- Reduces Clean-up times
- Meets FDA CFR 21 Requirements
- Provides Slide
- Prevents Jamming of Equipment
- Protects Equipment

Allows plastic wrapped products to slide

Prevents sugar-buildups

NSF H1 Registered

Processing

Eliminates sugar build-ups and breakdowns when applied to filler tubes, Chrome plates and spray pumps

Prevents food from sticking to conveyors, ovens, freezing trays, baking tins, knives, cooking coils, evaporators & other processing equipment

Prevents sticking on chutes, bins, walls and surfaces. Keeps material moving and prevents adhesion of greases and oils.

Lubricates surface of wood, metal, plastic, vinyl, rubber, leather etc.- eliminates squeaking

Packaging

Prevents jamming of equipment caused by glues, adhesives, waxes etc.

Allows cellophane, pilofilm, saran and vinyl polyethylene to move freely over sprayed surfaces.

Eliminates carbon build-up on sealers and allied equipment. Materials will not adhere.

Prevents glue from adhering and eliminates sticking when sprayed on rails, belts, stamps and grip fingers of labeling equipment.

Protects machines from acid build-up, rust and other foreign elements

Properties

Can size	20 oz.
Net Wt.	13 oz. net wt.
Packing	12- x3 oz. net wt. cans per case
Weight	14 lbs. per case
Active Ingredients	Pure Dimethyl Silicone Fluid

Food Grade Status

NSF/ USDA: registered as an H1 lubricant for incidental food contact...NSF # 052815

FDA: meets FDA CFR 21 Requirements

CAS Information

Liquefied Petroleum Gas...CAS-68476-85-
Dimethylpolysiloxane.....CAS-63148-62-9

SPECIAL FEATURES:

Performance

Mr. Clearco is specially formulated for the food industry – ultimately Speeds Production & Eliminates Downtime

ENVIRONMENTAL

Mr. Clearco Food Grade contains no CFC's or any other Ozone Depleting Chemicals. It is Non-Toxic, Non-Staining & Greaseless.

NSF / USDA Registered
