OPEN GEAR GREASE

JCHEM-117 is specially formulated EP open gear grease for extreme pressure, high temperature, water and chemical resistant operation.

OUTSTANDING FUNCTIONAL CHARACTERISTICS

JCHEM-117 is formulated with a balanced additive to impart outstanding performance that is characterized by:

- Outstanding EP and anti wear properties under heavy load, severe shock and vibration condition
- Exceptional spray qualities even at low temperature, pump ability to -10°C
- Good adhesiveness and resistant to water wash-off
- High temperature operation

TYPICAL APPLICATION

Ideal for open gear exposed to heavy load and wet environment
